#### **ABOUT US**

PT BUDI SASTRO UTOMO is a company that operates in the fisheries sector, especially freshwater fish. Founded in 2024.

We are committed to managing fisheries business units from upstream to downstream. Starting from seeding, enlargement, and sales distribution. This commitment was built to empower local potential and human resources.

We always try to maintain consistent product quality so that it is always well received by consumers. Product quality and consumer trust are our main priorities to become the Best Freshwater Fisheries Company in Indonesia.
